### DESCRIPTION

The UWM Chancellor's Graduate Student Award is intended to attract and retain graduate students with exceptional academic records and high promise of future success. Chancellor's Awards may be offered on their own as "free-standing" unique awards, or in conjunction with other departmental or University support.

### COMPLIANCE

As a recipient of a UWM Chancellor's Graduate Student Award, you must comply with program requirements as described in your Award Letter.

### PAYMENT PROCEDURES

The Chancellor's Award is distributed in one payment for each semester the award is offered and is applied directly to the recipient's PAWS account. If there is a residual balance after the amount due in PAWS is paid, a check will be sent to the student's mailing address in PAWS. **Students should make sure their mailing address in PAWS is updated.**

### TUITION PAYMENT

Students' tuition obligations differ depending upon their particular situation. It is important that you monitor your tuition bill through your PAWS (Panther Access to Web Services) account to determine your tuition/fees obligation.

### IMPACT ON FINANCIAL AID

The Chancellor's Award may have an impact on other types of financial aid. If you have applied for or are receiving a federal loan, work-study, or other need-based awards, you must report the amount of the award to the UWM Department of Financial Aid at (414) 229-4541. They will determine how/if this award impacts your other aid. *(International students on F1, F2, J1, J2 or G visas are not eligible for federal financial aid)*
